President's Corner

There is a lot to do this month! Have you each signed up for a shift at Annmarie Gardens (Sept 19 & 20) and the Calvert County Fair (9/30-10/04)? If not, be sure to contact Hilke while there's still time to get your preferred time slot. We also need people to help setup and take down our displays! These are two of the biggest fundraisers we have so we need as many hands as possible.

There are about 2 more weeks to finish any projects you are working on for these two events - - don't forget to bring them to the September meeting and give them to Sandy. Remember, this is your guild so it is only as good as the effort we are each willing to give. Thank you one and all for your hard work!

Did you know that August 24th is National Waffle Day? Waffles are a leavened batter or dough that is cooked and are eaten all over the world. The origins of the modern waffle have been traced as far back as the 14th century when cakes were baked between wafer irons. This delicacy was only eaten by the wealthy. Cornelius Swarthout of Troy, NY was issued the first US patent for a waffle iron on August 24, 1869. National Waffle Day is celebrated each year on August 24 in honor of this invention.

It is also Strange Music Day, Vesuvius Day and National Peach Pie Day (Source: giftypedia.com/Fun; nationaldaycalendar.com; holidaysights.com)

Have you taken a look at the special celebrations that take place on your day?

Happy Quilting,

Patricia Blackford
President

Programs - (Julie Trollinger)

September 9 - BJ Adams - Making lace with thread; Wednesday class

October 14 - Sheryl Lynch - Sewing on silk; Saturday class

Additional Programs information - Given the rising costs of speakers, it was recommended that the guild may look at online tutorials to show at the meetings/workshops (checking out or renting a projector to view on screen). Or, look a bit more locally, such as Joyce McComas or Cindy Parlan, who conduct workshops at local shops.

President's Section of August Newsletter - Our president, inspired by Shannon Shirley's presentation at last month's guild meeting, proposed a challenge quilt to members. Honor your own birthday by selecting one of the 'holidays' that most inspires us and falls on that specific date. The only caveat would be if two or more people share the same birth date, each would choose a different occasion falling on the same date.

There are a number of websites that can give you what your day is, such as: www.daysoftheyear.com; www.nationaldaycalendar.com; www.holidayinsights.com/moreholidays/. There are other websites, but those are three to get you started. A list of the rules will be at the September meeting with unveil at the June meeting. You can't make up a holiday; we will ask that you provide the source of your celebration day and tell us something about it and why you chose it.

Book report - Elizabeth Sawyer brings in a variety of books every meeting that are from the guild's library; check one out and try a new technique.

Community Service - (HilkeHoefer) Consider coming out to the workshops held at the Fariview Library. Three people have been consistently in attendance sewing. Sewing projects include projects for Anne Marie Garden/Arts Fest, as well as walker bags, which are still needed, and many other projects (totes, etc.) Library sessions are very nice, the fourth (and fifth) Mondays, after work 6-9pm.

It's easy to get to; it gets people out of the house; and gives new participants a great welcome. Walker bags will be sold at the Arts Fest; any bags not sold will be donated to the nursing home in St Mary's County. New venues will be looked into for sewing workshops.

Newsletter - Any inputs to the newsletter must be sent to Susan Blanton by 20 September.

Monthly Raffle - (Nicki Huffstutler) Winner is Nicki Huffstutler.

Block of the Month - (Allison Korb) Winner is Anita Turley.

Show and Tell - Betty Tilley; Andrea Elwyn; Allison Korb; Anita Turley

Raffle Quilt - Kate McMinn is distributing the raffle tickets for each member to sell. Pick up your tickets.

New Business:

Web Page - A proposal to host the website through one company was seconded, voted upon and accepted.

Treasury Report: There was discussion regarding the presentation of our budget while a monthly guest speaker is in attendance. Some members feel uncomfortable divulging the extent of our budget

while the speaker is attending, whether observing or packing up. If a speaker is still in attendance, it was suggested that the budget would be available for everyone to read before or during the meeting. For meeting purposes, only income and expenses would be reported. No vote was held.

Membership Proposal - For new members, it was suggested that a little bit more information is gathered on new members to aid in perhaps a warmer welcome and provide connecting points with other members. Information such as if they are new to the area, and from where they have moved. What is his/her interests in quilting; what methods are preferred?

Other Items:

Shannon Shirley's quilt "Bottles and Blooms" took Judges Choice Award at Hershey; judge was Karen Kay Buckley.
